## **Migrant Sunday**

Today is Migrant Sunday. Pope Benedict established this Day of Remembrance as a response to the massive displacements and suffering caused by the First World War. Today the Church invites us to remember all migrants, those who have left Ireland to find a new life and those who have left their own countries to come to live here. Those migrants who have come to live here, bring gifts just as the Irish did to the countries they have gone to over the centuries. Today we remember and pray for all who experience themselves as “foreigners” or “outsiders” where they live.
