REFLECTION - Make good use of your time by doing good for others and by helping others to do good themselves. It’s sound advice and if we want we can always find time. Here are a few simple things each of us could do and which would take up to no time at all –

1. Make a conscious effort to smile.
2. Say ‘Please’, ‘Thank you’, ‘Excuse me’.
3. Give a sincere compliment where it is deserved.
4. Remember someone’s name and how to pronounce it.
5. Hold the door open for the person behind you.
