2nd Sunday of Lent

“GIVE ME THIS WATER SO THAT I MAY NOT BE THIRSTY”

Today we can think of the millions of women and girls who make the hazardous journey to wells every day in search of water. According to the UN 1.1 billion people are 'water insecure'. Trócaire is working in Malawi with their local partners to provide water security for many communities. By 2020 it is estimated that water available for agriculture in the region will drop by 50%. The woman in today's Gospel experiences conversion at the well; we too are in need of conversion so that we live more in solidarity with those who are suffering and thirsting for justice.

Trócaire boxes are available in the Church – please take one.
