**DAY FOR LIFE** - Today we celebrate Day for Life, the day that is dedicated by the Catholic Church in Ireland to celebrate the dignity of life from its beginning to natural death. The special theme for this year is: Protect and Cherish Life. When we hear of wars and loss of life we realise the importance of this day. We are asked to reflect on the importance and sacredness of life. Each life has a function and grace. We believe that life has a value which cannot be measured. It is a gift from God. He did not create us for death because when we encounter the mystery of death in prayer, in meditation and in experience, we are taken into the vast everlasting life of the Father, Son and Holy Spirit. *Please take a pamphlet from the Church porch.*
