*A candle's just a simple thing; it starts with just a bit of string.
Yet dipped and dipped with patient hand, it gathers wax upon the strand
Until, complete and snowy white, it gives at last a lovely light.
Life seems just like that bit of string; each deed we do a simple thing.
Yet day by day if on life's strand, we work with patient heart and hand.
It gathers joy, makes dark days bright, and gives at last a lovely light.*

Wishing you all a very Happy and Peaceful Christmas Season
