SAFEGUARDING : Learning from the past. In his *Ad Limina* address to the Irish Bishops on 28<sup>th</sup> Oct 2006, Pope Benedict XVI stressed the need to: establish the truth of what happened in the past; to take whatever steps are necessary to prevent it from occurring again; to ensure that the principles of justice are fully respected; and above all, to bring healing to the victims and to all those affected by these egregious crimes. As a church we commit to this journey of justice, truth, healing and abuse prevention.
