*I've learned that no matter what happens, or how bad it seems today,
Life goes on and it will be better tomorrow.*

*I've learned that making 'a living' is not the same thing as making a 'life'.
I've learned that if you pursue happiness, it will elude you. But if you focus on your
family, your friends, the needs of others your work and doing the very best you can,
happiness will find you.*

*I've learned that whenever I decide something with an open heart,
I usually make the right decision.*

*People will forget what you said. People will forget what you did.
But people will never forget how you made them feel.*
